South Bay. Scarborough is situated on the north and south sides of a rocky headland, its sea front thus lining the borders of two bays. Bordering on the South Bay are the Spa, the Aquarium, the most fashionable promenades, the chief hotels, and the more important business premises. Overlooking both bays stands the rocky, dividing headland (200 feet high) crowned with the ruins of its Early Edwardian castle.

Dear Sir, I are staying here with Blanche & enjoying ourselves very much. Sky also, very quickly, asked Chris over for the weekend, & we all had a lovely picnic in Hope Valley on Monday. We went to see the Swallows yesterday — much love M. Moody.
